To be featured on social media as the Victorinox "Pick of the Day", please write a short statement about yourself (see more details in the brief).

Hi! My name is Ciprian Buzdugan, and I am 24 years old and I'm from Romania. Travelling has always been a great passion of mine and once i started studying arhitecture (5 years ago) i became more and more eager to find new places and discover beautiful landscapes. This particular design is inspired by Cappadocia, a site where you can admire an overwhelming side of nature: the fantastic topography matched by the human history and completed by an amazing feeling of freedom.
