Bran Castle situated near Bran, in Transylvania, Romania.

Describe why you have chosen this place as a visual? What story does your design tell?

The Bran Castle have a very beautiful architecture, is the fairytale land. behind Dracula. It's a very interesting history, rich natural landforms, and a lot of fantasy around all these visuals. I design the castle in different angles, some landscapes mountains, and trees - the castle is in the hills, Dracula of course and some clouds representing the magic of the place.
