

1/7 Crystal Palace in Rio de Janeiro

Other beauties of the most beautiful city in Brazil

Solution

The most well-known city in Brazil has many beauties, but not all of them are as well known as the Cristo Redentor and the famous Corcovado. That is why I wanted to portray another beauty of the city, the crystal palace of Petropolis, inaugurated in 1884 and which has since housed various exhibitions of Brazilian plants and birds.

Describe why you have chosen this place as a visual? What story does your design tell?

This place is a symbol of the desire for industrial revolution in Brazil, has received important exhibitions of Brazilian plants and birds. My design shows this place and its beauty inserted in the city of Petropolis.
