To be featured on social media as the Victorinox "Pick of the Day", please write a short statement about yourself (see more details in the brief).

I studied fashion design in Belgrade, my home and the exciting and always inspiring Serbian capital. We live in a beautiful world, and I feel lucky to have a creative venue where I can attempt to capture and reinterpret my surroundings into something new. I am moved by fashion and do my best to incorporate my work into every part of my life and produce print designs that reflect the sum of my personality.
