Solution

Chefchaouen, "blue pearl of Morocco" is a unique place with awesome vibes, a small town in northern Morocco with hundreds of years of history, a special architecture and gorgeous blue rinse. The city is very beautiful and yes, it's blue, the houses can be admired from the top, of the hills, Chefchauouen is surrounded by mountains. Tiny beautiful streets, little houses painted in blue, colorful flowers on the stairs, great contrast, vivid colors.

Describe why you have chosen this place as a visual? What story does your design tell?

I tried to represent one of the specific streets, with tiny stairs and blue walls, near the even bluer houses., flowers on the stairs and a view of the city from the top of the hill in a risen light.
