Describe why you have chosen this place as a visual? What story does your design tell?

I have chosen to represent Berlin in my design because after visiting the city for many times I discovered a place like no other. I am fascinated by everything it has to offer, from its historical buildings and modern architecture, to its influential lifestyle, music and art. With a powerful historical background, representative landmarks, an abundance of open spaces, lakes, forests and parks, Berlin is a city that should not be left unchecked from your bucket list.
