### Solution

Trypillia – Place where you can move to 7500 years ago.

Long before famous Egypt Pyramids were built the Trypillians had a notion about cities (occasionally gigantic ones). The Trypillian civilization appeared 7500 years ago around 5400 B.C. and existed till about 2750 B.C. The inhabitants were involved with animal husbandry, agriculture, fishing, gathering and created incredible beauty ceramics.

Some of their settlements from around five thousand years ago are considered to be the largest in their time. For example, in Talyanky (in present-day Ukraine) the burned ruins of 3 000 houses were discovered which gave home to approx. 15000 people! Before building a new “city”, the previous one was burned down, together with utensils and ritual/decorative

objects. The Trypillian homes were built as part of radial shaped streets with a square in the center. They

Describe why you have chosen this place as a visual? What story does your design tell?

Trypillia – Place where you can move to 7500 years ago. This place tells us about the ancient civilization and people which did not need weapons and who knew how to create a unique pottery, with incredible beauty of ornaments. The magnificent beauty of graphics that has survived to this day has pushed me to tell about this culture (and visual culture). This is a story about Peace and Beauty. This is really a unique place about which very few people know.
