Solution

So for this design i made some japanese motifs and a geisha, to represent Japan. I switched the red with the pinkish color of victorinox logo.

Which place, city and country is featured in your design? (place/city/country)

Japan

Describe why you have chosen this place as a visual? What story does your design tell?

I wanted to represent the mastery and the skills that japanese tradition brings to the world. And also making a parallel between a geisha (that had skills performing various arts - classical music, dance, games, and conversation) and the pocket knife (also can achieve various functionalities).
