Solution

To be small doesn't mean to be invisible. Switzerland might be small, but its mountains are so high so they can reach heaven. What more can you wish? Switzerland opens gate to the fairytale, where Matterhorn is the king. The smell of delicious cheese you can smell even on the peak of Alpus.

Describe why you have chosen this place as a visual? What story does your design tell?

My design shows the beauty of Switzerland. For my design I choose sweet, calm colors which presents the harmony of this country. Alps like the symbol of strength and beauty are shown in my design as a sweet candy or an icecream. It's because the life in Switzerland is like "Dolce Vita".
