

Create your own tradition

1/4 Royal Garden

"Create your own tradition" ~ Create your own classic !

Solution

"Create your own tradition" - Create your own classic ! "Royal Flowers " is an elegant, vintage design with a touch of gold, contemporary and glamorous details. It brings old, noble values into modern society, by approaching a classical flower theme with vibrant modern colors. With the color variations available, it comes more closer to different types of consumers and event categories, making Henkel Trocken more versatile with its Limited Edition.
