

1/2 **Pasta! (UPDATE)**

Benvenuti in Italia! (welcome to Italy!)

Solution

Hi! My name is Tommaso and I am 38. I live in Casteggio, Italy. I chose "Pasta" because when you talk about Italian food....you talk about Pasta!!! Pasta does not need any introduction, it's always recognizable, in any country in the world being cooked! The one represented on the Victorinox knife is the Mediterranean recipe: tomato, basil, olives and extra virgin olive oil. Best Pasta in all over the world!
