

1/2 Schlaraffenland

Travel to the Land of Cockaigne!

Solution

Hey, we are Steffi and Tobi from the North of Germany. We are both designers. Steffi works as a digital artist & loves to illustrate. Tobi is a Graphic Designer & had the idea for the wonderful Schlaraffenland design. We love to collaborate & our skills are matching perfectly for the great Victorinox contest. So travel to the Land of Cockaigne with us!! Where the river is out of tasty honey, the hills are yummy woodruff jellies & the donuts fly directly in your mouth - it will make you happy :)
