

1/2 **Food is always a good idea!**

I am glad when my refrigerator is full!

Solution

Hi! My name is Arman, I am a 32 year old and I live in Varna/Bulgaria. Just I was in a supermarket and bought products, and then displayed them in the refrigerator. While I did it, I have thought - as it is good when in the refrigerator there are a lot of products, it is possible to prepare any dish. It has inspired me on creation of this design.
