Let's play football

Solution

Hi everyone, my name is Luis Gutiérrez, I'm 33 years old and I live in Mexico City where I've been working as a graphic designer for almost 10 years. I created this design in an iconic way because I love Football and its celebration itself, its colors, tournaments, and fans are the most passionate of the world as the Victorinox's fans are, so this is the perfect gift for all of them.
