A sport is not just a sport, is someone's way of life, someone's identity.

My name is Roberto, I'm 25 years old and I've been a graphic designer for over 4 years, mostly participating in different contests, like "Design the Illy Can". I strongly believe that a sport is not just a sport and that is one of the reasons we have so many good sportsmen, because they identify with that sport, they become one with it. That's what I've wanted to illustrate in my design, if you enjoy what are you doing you make it part of your identity.
