

1/2 Tennis - Hawk Eye

A new tool in victorinox knife.. Now you don't need to have a coin in your pocket to make a toss ;))

Solution

Hi.. I am Hicham, an Egyptian architect living in Alexandria.

Have we really missed the protests of the players and their objections to the referees in tennis courts?

John McEnroe, The former Tennis world No. 1, said about the hawk eye technology: 'I feel like I would have been a 15 to 20 percent better player, but I would have been more boring.'
