

1/2 Snooker Gentleman

Inspired by the dress code of snooker, this design features the essence of this cue sport.

Solution

Hi! My name is Michelle, I live in New York City. I've been working as a designer for 10 years. This design is inspired by, arguably the most popular cue sports, snooker. The main visual features a bow tie and waistcoat to reflect the typical outfit of snooker players, while the back mimics a snooker table. The colour snooker balls are placed throughout the front and back to give a playful element to the design.
