Solution

Hi I'm Supto, I work as graphic designer & live in Malang, Indonesia. I chose polo because it's one of the world's oldest known team sports & to play polo it needs good relationship & teamwork between the player & the horse. Polo was at first a training game for cavalry units, usually the king's guard or other elite troops. It's also known as the sport of kings. Front is front view of a polo player ready to hit the ball with mallet. Back is back view of a polo player who already hits the ball.
