

1/2 **Heart and courage v2 - Soccer**

Player about to score a goal in soccer game

Solution

My name is Martin Amok, I live in Campeche, Mexico. I'm a designer and draftsman.

The proposal shows a player in a football game at twilight and the various moments when he has the ball with him; and on the second side he has the opportunity to score a goal. A limited complementary palette of colors was used to focus on the moment and the player.
