

1/2 Tropical Jungle

A colourful pattern inspired by flowers, leaves and birds - pure tropical paradise!

Solution

Hi my name is Tea and I am a graphic designer and illustrator from Croatia. The inspiration behind this pattern was nature's beautiful birds and a plethora of magnificent tropical plants and leaves. I also introduced a bit of artistic touch by adding paint and pen brushes to the pattern. I believe this pattern would be loved because of its illustrative style and eye catching colours.
