

## 1/2 Ocean Life

Majestic creatures of the ocean

### Solution

Hi, My name is Saptu. I live in malang, Indonesia. I'm always impressed by the life in the ocean especially some majestic animal like octopus, whale, jellyfish, seahorse, and more, so I created this pattern in ethnical style with a hope we can keep it save from any destruction. Save ocean, save nature, save earth, so you will save the whole life ! :)
