

1/2 The lotus flower Rebirth

The lotus flower represents long life, health, honor and good luck

Solution

Hi my name is Sofia and i live in Greece. I chose as a theme of my design the lotus flower as it is one of the most ancient and deepest symbols of our planet. The lotus flower grows in muddy water and rises above the surface to bloom with remarkable beauty. The flowers open in response to sunlight, usually opening in the morning and closing in the afternoon. My design shows the Lotus flower at night while is closed (black) and day while is open (white).
