

1/5 **Dino**

package design

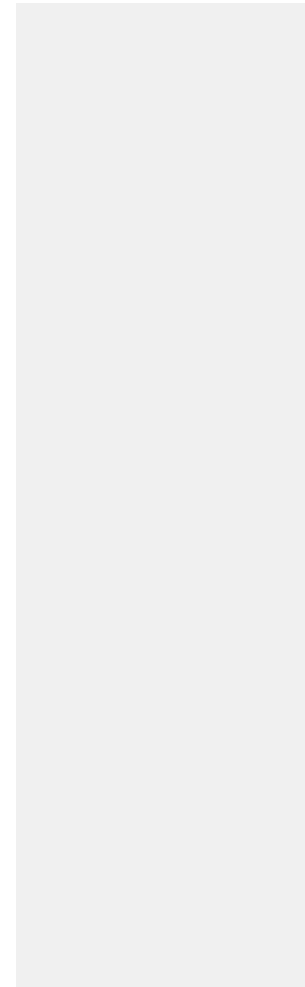

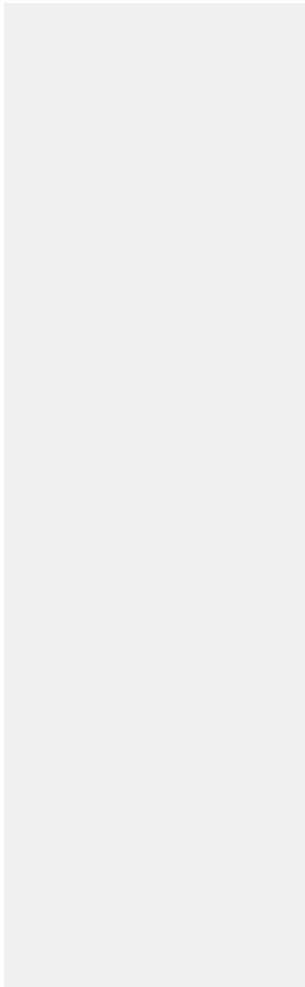

Solution

We all love dinosaurs, a cheerful friendly animal with always healthy and strong teeth))) Associating the brand with a figure with so much history and so mythic is something that elevates the brand in a fun way

2/5 **Dino**

package design

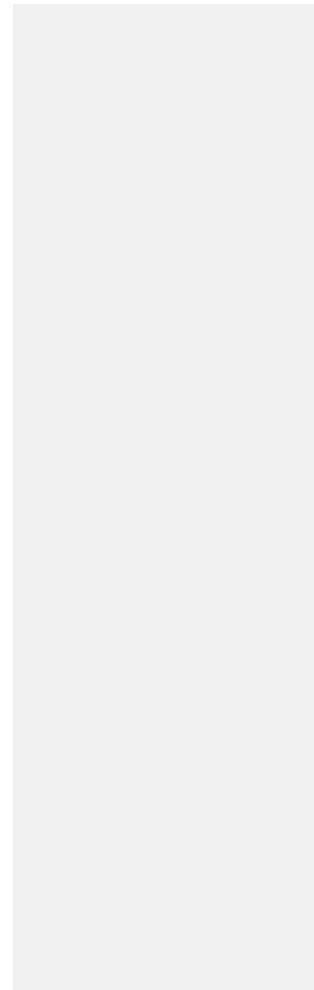

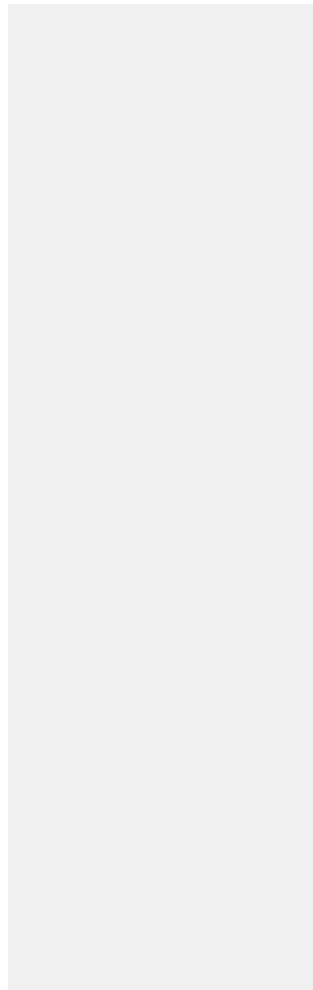

Your design here

the texture of the composition
highlights the packaging at the
point of sale.

3/5 **Dino**

package design

Your design applied to the toothbrush & bristles

The brushes have the design of small dinosaurs
