Solution

The two toothbrushes hide most of the packaging graphics. This gave me inspiration to exploit this factor to my advantage and portray a subject whose shyness is the main adjective describing its nature.

Your design here

It is a placid starry night, and a yeti walks among the trees of a birch forest. The moon is shining in the sky, it's probably time to brush its teeth before going to bed.

Your design applied to the toothbrush & bristles

The handles of the toothbrushes refer to the colors used for birch trees; the bristles depict the main subjects of the illustration: the face of the shy yeti and the starry sky.
