

1/2 The Instant

Ease of access for commuters, includes laptop & tech integration & a Go Urban Go Green campaign

Fast Entry Flap
Velcro edges grasp tight, securing goods no matter which end is up
Durable weather proof material in "go urban go green" camouflage patterns

Solution

In an Instant, have full access to You!

Designed for the trend-inventing green-conscious jetsetter... or perhaps for the regular commuter who likes to have his or her stuff handy... the Instant allows complete integration of all commuting needs with new twists on the messenger bag approach.

Key features are noted in the diagram. More details about colors and ways to wear this bag will be coming in an update soon. The color scheme will be different versions of camouflage (including vivid colors, classic greens, and pastels so that it also appeals to females).

Additional features not listed in the diagram:

Made from organic and green conscious materials.

Manufactured according to fair trade practices

Includes logo "Go Urban Go Green"

Bag it!
