### Solution

Basic idea of the creation:

- to create a possibly vacant land
- the single areas should interlock optically, as far as it is possible
- 1.) You can reduce the eating area and increase and adapt the number of the people. This is possible by a module of movable seats.
- 2.) The sleeping area has pushed together the size of a sofa.
- One can double this. Besides, two bedding boxes exist.
- 3.) The guest area and the work area are connected with each other. If no guests are
